PUB & BREWERY

Callahan's Pub & Brewery opened in October of 1989. It was started by two restaurant managers from Mira Mesa who thought the community could be well served by having an Irish Pub and Brewery in the neighborhood. They borrowed money to get it off the ground and worked many hours to keep it going. They found many eager and loyal customers that helped them grow.

What started as the dream of two individuals has evolved into two locations from the efforts of many. We have grown to include San Diego Brewing Company.

Callahan's owes its success to many people: the suppliers who bring the freshest ingredients available, our hard working friendly staff and most importantly people like you! We work hard to provide a unique atmosphere, great food, fresh beer and personable staff.

Whether it's your first time here or you're a regular, we appreciate your business!

Thanks for a great 23 years! Slainte
